

## OGUNQUIT FUEL INITIATIVE – 2022/2023

The Ogunquit Residents Alliance began the Fuel Initiative in 2020, with the goal of providing, through group purchase, fuel (oil, propane and/or kerosene) at reduced costs to participants.

- ✚ Customers may be residents or business owners in Ogunquit and Cape Neddick. You do not have to be ORA members to participate.
- ✚ The first year included contacts with 46 families who were offered discounted rates from the two of many vendors researched.
- ✚ Some of these families had already signed agreements with other vendors and were precluded from taking advantage of our special rates. So, if you are considering taking part in this year's program, DO NOT sign an annual agreement before checking out the Fuel Initiative.
- ✚ Thirty-five (35) families did participate in the 2020-2021 program, saving thousands of dollars. They and additional families requested participation in the 2021-2022 programs which are growing.
- ✚ Anyone who wants to participate in the 2022- 2023 program should send in their email to: [INFO@ogunquitresidents.com](mailto:INFO@ogunquitresidents.com) in early 2022.
- ✚ The fuel form is on this website or may be picked up at the Dunaway Center in 2022.
- ✚ Anyone who wants a reminder for next year's program, please send us your email. The program will be continued for 2022-2023.
- ✚ All participants and new enrollees will be contacted in May or June .

Wishing everyone stay safe and winter well.

Bobbi Treen and Barbara Ferraro for Ogunquit Residents Alliance
