Ogunquit Honors One of Their Own

Wells-Ogunquit Superintendent, Mr. Jim Daley, was thrilled to hear the surprise announcement at this week's town meeting. The *Ogunquit Residents Alliance* will be honoring a home-town hero, Select Board Member Bob Winn, by establishing the [Bob Winn Scholarship](#) at Wells High School to award two graduating seniors \$1000 each.

Bob Winn grew up in Ogunquit, attended the Ogunquit Village School, and graduated from Wells High School. After college, he returned to his beloved state as a teacher and running coach. Bob inspired students with his love of running and led teams to several state championships. He himself is a national elite runner and was inducted into the Maine Running Hall of Fame. However, it's never been about awards or accolades for him. Students' lives, their peace, their happiness, their success in and outside of school is what makes him tick.

As importantly, his work ethic, character and service to his community have been paramount. As a Select Board member for nearly a decade, Bob has given his time and energy to Ogunquit. He has served with honor and integrity.

To learn more about Bob's spirit, or helping the students he cares so much about, please go to the [Bob Winn Scholarship](#) Go Fund Me page.

ABOUT: Ogunquit Residents Alliance – the Ogunquit Residents Alliance is a civic organization providing information and advocacy for full and part time residents. We look to engage all residents in an effort to maintain our quality of life. The Ogunquit Breeze newsletter can be found at www.ogunquitresidents.com
