

Hello Ogunquit Friends,

We are excited to connect about advocating for all homeowners and/or residents across Ogunquit and maintaining our reputation as the *Beautiful Place by the Sea*.

Did you know that property owners are responsible for providing **over 80%** of the tax base to run our town?

All voices are important and deserve to be heard as we strive to keep our unique village feel while embracing changing town demographics.

Our grass roots organization has been a voice for and of the people; delivering on our mission of improving the quality of life for all homeowners/residents. Recently we:

- Saved residents thousands of dollars by creating the *Ogunquit Fuel Initiative*
- Hosted educational forums on water quality, recycling, and conservation
- Partnered with the League of Women Voters to establish our *Local Candidates Night*
- Led a citizen petition to protect town character by preventing private helicopter landings
- Simplified complex information for your consideration by providing:
 - o annual town warrant information packets;
 - o easy to understand zoning, ordinance, and town mapping reference tools;
 - o financial terms backgrounder to enhance understanding of the budget process; and
 - o information for voters to consider the funding and approval of 3 new bathhouses.

Together we can be a resource for one another, unify our town around shared priorities, and ensure ALL voices are heard. Could you please take just a few minutes to provide us your thoughts by completing this brief four- question survey. Everyone who completes the survey will be entered in a drawing for three (3) \$25 Amex gift checks (hopefully to be used at an Ogunquit establishment). Don't delay and complete today.
