

OGUNQUIT FUEL INITIATIVE - 2021

The Ogunquit Residents Alliance began the Fuel Initiative in 2020, with the goal of providing, through group purchase, fuel (oil, propane and/or kerosene) at reduced costs to participants.

- ✚ Customers may be residents or business owners in Ogunquit and do not have to be ORA members to participate.
- ✚ The first year included contacts with 46 families who were offered discounted rates from the two of many vendors researched.
- ✚ Some of these families had already signed agreements with other vendors and were precluded from taking advantage of our special rates. So, if you are considering taking part in this year's program, DO NOT sign an annual agreement before checking out the Fuel Initiative.
- ✚ Thirty-five (35) families did participate in the 2020-2021 program, saving thousands of dollars. They and additional families have requested participation in the 2021-2022 programs.
- ✚ Anyone who wants to participate in the 2021- 2022 program should send in their email now to: info@ogunquitresidents.com
- ✚ The fuel initiative application form is can be downloaded at www.ogunquitresidents.com or may be picked up at the Dunaway Center.
- ✚ All participants and new enrollees will be contacted in May or June by the program managers Barbara Ferraro and Bobbi Treen.

Some feedback from the folks who participated last year:

“Yes, the Fuel Initiative has worked out well for us. It seems as the gas prices continue to go up weekly, we even have a better value!”

“We were very pleased with this program and appreciate ORA's initiative...it was a totally seamless process for us and saved us money.”
